## Indiana Housing and Community Development Authority

### Rental Housing Finance Application

- ☒ Application for "Conditional" Reservation of Rental Housing Financing
- ☐ Application for "Final" Allocation of Rental Housing Financing

This Application for Rental Housing Financing (this "Application") is provided by the Indiana Housing and Community Development Authority (sometimes referred to herein as "IHCDA" or the "Authority"), pursuant to Section 42 of the Internal Revenue Code and rules and regulations promulgated thereunder, as amended (the "Code"), and the current Qualified Allocation Plan, as adopted by the Authority and duly approved by the Governor of the State of Indiana (the "Allocation Plan"). BEFORE COMPLETING THIS APPLICATION, YOU SHOULD REVIEW THE ALLOCATION PLAN TO DETERMINE WHETHER YOUR PROPOSED DEVELOPMENT MEETS THE THRESHOLD CRITERIA REQUIRED BY THE AUTHORITY, AS SET FORTH IN THE ALLOCATION PLAN. Applications which fail to meet the minimum criteria will not be eligible for funding.

### APPLICATION PACKAGE SUBMISSION GUIDELINES

- 1 No Application will be considered without the Applicant's submission of a brief narrative summary (limit 3 pages) describing the need for the Development within the community and the Development itself. This narrative should give an accurate depiction of how this development will benefit the particular community. Generally, the summary should include the following points:

- Development and unit description
- Amenities in and around the Development
- Area's needs that the Development will help most
- Community support and/or opposition for the Development
- The constituency served by the Development
- Development quality
- Development location
- Effective use of resources
- Unique features
- Services to be offered

- 2 Your assistance in organizing your submissions in the following order will facilitate the review of your Application for a "Conditional" Reservation of Rental Housing Financing. Documentation included with the Application must be submitted in the order set forth on the Development Submission Checklist. Documentation for each applicable tabbed section of the application for which it applies should be placed in a legal size 1/3 tab cut manila file folder. Each file folder should be labeled with typewritten 1/3 cut file folder labels accordingly. A template to use to print labels for manila file folders is located in Schedule H. File folders should then be inserted in a 14 3/4"x 9 1/2" red file pocket with 5 1/4" expansion. See Schedule H.
- 3 The Application form must be signed by the Applicant, duly notarized and submitted in triplicate originals [Form A (the application) only - DO NOT SUBMIT TRIPLICATE ORIGINALS OF ANY OTHER PAGES], together with the required application fee. Inclusion of the items on the Development Submission Checklist in support of the Application is strongly encouraged and will likely impact the number of points for which you are eligible under IHCDA's evaluation system of ranking applications, and may assist IHCDA in its determination of the appropriate amount of credits that it may reserve for the development.
- 4 Applicants applying for IHCDA HOME Funds must submit each of the following in addition to the requirements noted above:
  - One (1) copy of the Rental Housing Finance Application (Application only)
  - One (1) **original** of the HOME Funds Supplement application
  - One (1) copy of the HOME Funds Supplement application

**Commercial and Office Space:** IHCD's Rental Housing financing resources cannot be used to finance commercial space within a development. Income generated and expenses incurred from this space, though, must be factored into IHCD's underwriting for the development as a whole when reviewing the application. If the development involves the development of commercial space the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Costs chart.
